Community Policing News – Kelso & District

We are continuing our efforts to obtain information regarding drug dealing and antisocial behaviour. We urge members of the community to continue to make police aware of these incidents by contacting 101, providing names and descriptions if possible. Information regarding the perpetrators of antisocial behaviour and drug dealing can also be reported completely anonymously to crime stoppers on 0800 555 111 or using the online reporting tool – <https://crimestoppers-uk.org/give-information/forms/pre-form>

PC Kirsty Chisholm has been working in partnership with SBHA to tackle issues in Orchard Park and calls to the area have decreased in recent months. She is also working with the dog warden as there has been more reports of dog fouling in the area, particularly in the area of Woodside Park. Incidents of antisocial behaviour have also increased at the Shedden Playpark and patrols have increased in this area.

CAT Update:

ANTISOCIAL BEHAVIOUR

After a period with few calls relating to youth disorder, the Galashiels Interchange has experienced a rise in reported incidents. SBCAT and local officers have now increased passing attention, with a number of warning letters being sent to parents of children being identified. We will continue to address any reported issues and support the work being carried out by local CPT and TD7. Bonfire night is approaching and there is likely to be an increase in calls relating to fireworks. Please can I encourage members of the public to report any incidents of youths being supplied fireworks to police or anonymously via Crimestoppers. So far SBCAT have obtained 35 fireworks through information provided by members of the public.

PARKING

We have carried out parking initiatives in Selkirk and Peebles this month with 12 parking tickets issued. Can I take this opportunity to remind people that a single yellow line has the same restrictions as double yellow lines between certain hours.

DRUG ENFORCEMENT

During October SBCAT carried out four search warrants in Hawick, Eyemouth and Kelso. At one address a cannabis cultivation was recovered, and at another a supply amount of herbal cannabis was also found.

ROAD SAFETY

SBCAT have issued the following road traffic tickets this month; 1 x Careless Driving, 2 x No Insurance (with both vehicles being seized), 1 x Antisocial Driving Warning, and 6 other various traffic tickets (e.g. no MOT). We are also continuing to carry out static road checks in rural areas to deter and detect acquisitive crime.
