

FACILITIES

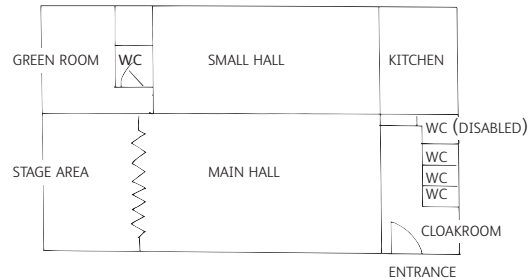

The Victorian school, building was gifted to the village for use as a hall when the school closed in 1970. It was refurbished and extended with the help of lottery funding in 1999. It is well maintained, disabled and child friendly (high chairs are available) and there is a woodland children's playground. You can arrange your own catering or we can recommend excellent local caterers.

There is efficient under floor heating, a sound system, hearing loop, large pull down screen, multimedia projector, 15 trestle tables, 95+ chairs, 12 upholstered chairs and 6 coffee tables. The flexible modern lights will create the right atmosphere for your event.

A VENUE FOR BUSINESS

The flexible accommodation in Smailholm Village Hall is the perfect venue for meetings, a training seminar, or maybe an office away day with team building activities. It is an economical alternative to a hotel or conference centre and provides a real contrast to a busy office environment.

A VENUE FOR SOCIAL EVENTS

Smailholm Village Hall is a great venue for a children's party, play, concert, lunch, supper, class or exhibition. The natural light in both halls and the very flexible lighting system allow you to create just the right ambience.

If you decide to do your own catering, our well equipped kitchen has lots of space. A bar can be set up between the kitchen and the small hall.

A VENUE FOR WEDDINGS

Smailholm Village Hall is perfect for a very personal wedding at a fraction of the cost of a hotel. Here you can have the flowers, catering, decoration and timings exactly as you wish, and the grounds can accommodate a marquee if you need additional space. If you also want to get married in Smailholm, the beautiful little village church is 200 metres walking distance. You can contact the Minister on 01573 470607.
